

ART CLUB: Fridays, 14 January - 11 February

**DAVID MCEOWN Antarctica**  
**£52 including materials and protective wear**

Welcome to art club! We are a multi-award winning service giving the community access to a real arts education with real artists and high quality materials. Amber's philosophy on art teaching is to encourage and nurture original thinking and creativity in each student, giving them the technical skills to communicate their ideas, thoughts and inspirations.

This wintery project is inspired by celebrated Canadian artist, David McEown. Each week pupils will build their knowledge of the materials and the artist and will add to their A2 poster with artist grade acrylic paints.

Reference images credited to David McEown:

When: Fridays until 4.15pm  
Where: Cassiobury Infants & Nursery dining room

Your child/ren will be collected from their classroom and taken to art club.
