Summary of Discussion:	<p>We have lots of strengths:</p> <ul style="list-style-type: none"> • Water- Every child has their own reusable water bottle. • Healthy Living- We get lots of exercise every day and we have lots of equipment on the playground to use. • Transport- We have Walk to School week to encourage people not to use their car. 																					
Next Steps:	<p>We have identified several areas to improve:</p> <ul style="list-style-type: none"> • Biodiversity- We could provide more houses for birds • Waste- We could install a compost bin/wormery. • Energy – we could do more • Global Citizenship- We could host a no electricity day to make everyone aware of the amount of electricity we use. • School Grounds- Some classrooms have plants in their classrooms but not all of them. We could plant more trees to replace ones cut down in the Forest School • Write an action plan
