

Cassiobury Infants & Nursery School

Governors Strategy

2022-2027

LEARNING TOGETHER, GROWING TOGETHER

Cassiobury Infants & Nursery School

Our vision

Learning together, growing together

Our Mission

We will nurture our children into life-long learners, who aspire to do their best, promote the well-being of themselves and others and are valued members of the community.

LEARNING TOGETHER, GROWING TOGETHER

Our Vision

LEARNING

- Excellent Teaching and Learning opportunities, children become independent and brave learners
- Great readers ~ promoting the love of reading
- Learning Powers support learning across the curriculum
- Broad and balanced curriculum and enrichment opportunities, including a Forest School

COMMUNITY

- Diverse school community and sense of belonging, enriching the children's spiritual, moral, cultural and social experiences through enhancing and promoting Cultural Capital and British Values
- Cassiobury Children's Council ~ eco and school council
- A sustainable school environment developing pupils awareness of their environmental footprint

ASPIRATIONS

- A curriculum focussed on developing the children holistically
- Ambitious expectations

WELL BEING

- Safe environment
- Positive Well-Being ~ happy children
- Promotion of active and healthy lifestyle (running track, outdoor gym, scooters)

Strategy 1: Teaching and Learning

Aim: To be the number one school of choice in the local area

- Offer an engaging and exciting curriculum
- Maintain high quality staffing through people investment and development
- Keep up to date with current technologies
- Further develop enrichment opportunities

Strategy 2: Environment

Aim: to have a minimal or zero impact on our planet

- Increase sustainability through recycling
- Explore alternative energy sources
- Improve travel to school
- Reduce wastage across the school

Strategy 3: Cassiobury community

Aim: To strengthen links within the local community

- To develop Governors
- Developing links with wider stakeholders
- Improve parental engagement
- Explore Multi Academy Trusts / Federation

Strategy 4: Revenue streams

Aim: We have a non-HCC revenue stream that allows us to invest in great value add for the pupils

- First school of choice (HCC revenue stream)
- Improved facilities to enable increased lettings
- Increased fund raising opportunities
